Note on Pricing Changes:

From **1st July 2025**, Alkira will implement a revised billing guide following a review of our internal practices and recent updates to the NDIS Pricing Arrangements and Price Limits. After listening to feedback from participants, families and nominees, we've reviewed how we interpret and apply some parts of the pricing guide. The result is a clearer, more consistent approach that reflects the real work involved while ensuring costs remain reasonable and well-communicated. Service Agreements will be updated as NDIS plans roll over or change. If you'd like to learn more or share feedback, please contact us via Alkira's Feedback Form using the link below. We welcome the conversation.
